

Nippersink District 2 Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Building, Grounds, and Infrastructure

Nippersink Middle School is continuing to update our building. The entire first floor at NMS has been repainted including the two staircases going up to the 7th grade hallway. The Main Office entryway has been painted and updated with new designs on the walls. The Main Office and Gymnasium doors have been updated as well.

School Celebrations

NMS has had a fantastic turnout for our 2024 fall sports. We currently have 38 students out for Cross Country, 16 for 7th grade volleyball, and 18 8th grade volleyball. We also have had 12 students sign up for Yearbook Club so far, with more who have expressed interest.
