### Sunnyside

- Jump Start and ESY programming wrapped up at Sunnyside on August 1st. The building was a busy place with Kids Junction also at Sunnyside!
- Work continues on the new freezer/cooler at Sunnyside. Hopefully it will be finished soon!

### Burnside

- Summer Jump Start & ESY was finished on August 1. There were 21 Burnside students who took advantage of our fun summer programming. Thank you to Sunnyside for hosting us.
- Carpet at Burnside will be completed soon. Stop out and have a look!

### Twin Bluff

- Summer school wrapped up on August 1st and 15 middle school students were served through the program.
- 14 MS staff completed their initial training for the BARR program and look forward to using their new knowledge and protocols to best support our students.
- The FAC's room at Twin Bluff is in the midst of some renovations to update countertops and cabinet repainting in preparation for the 24-25 school year. Custodial staff continues to deep clean and the building is looking excellent!

### High School

- High School has filled a few of the vacancies and we are very excited about our recent hires.
- Summer Bridge continues for rising 8th and 9th grades along with Red Wing students who attend Hispanic Outreach Summer programming in the High School building. Everything is running smooth in both programs.
- Bill Emery continues to look at great ways to grow our FFA and Agriculture programs. Early this summer he tilled and planted Sunflowers, a first attempt, but we have seen a few small plants pop up through the soil.

### Tower View

- Waiting to hear back from Minnesota Department of Education on the alternative learning program paperwork. Applications have been resubmitted.
