

Alvin Independent School District

DATE: December 10, 2020
TO: Carol Nelson
FROM: Jennifer Valdez
SUBJECT: Proclamation 2021 – District Final Selection

In September, our district began the selection process for Instructional Materials Proclamation 2021. The textbooks and materials selected during this process will be purchased with State IMA (Instructional Materials Allotment) funds. These materials will be implemented during the 2021-2022 school year. The course areas involved are as follows:

Pre-Kindergarten - English
Pre-Kindergarten - Spanish

All Pre-K teachers and district curriculum staff leaders assisted with the selection process of both student and teacher materials involved in Proclamation 2021. They have had the opportunity to evaluate samples (sent by publishers) and also attend presentations regarding overview of available materials. Our teachers went through an extensive process to arrive at these final selections.

Our teachers and staff are recommending the adoption of all materials involved in the Proclamation 2021 process. We are requesting that the Board of Trustees approve these selections that have been made.
