RE: Bad Weather Attendance Waiver for fiscal year 2013-2014

On December 6th, 9th and March 3rd the District experienced severe weather conditions making travel hazardous for students and staff. Therefore, the District elected to close on these days. As required by the State, the District has two bad weather days in the current year's calendar scheduled for April 18th and June 5th. While two of the three bad weather days will be made-up by the District, approval by the Board of Trustees for an attendance waiver is being requested to seek final approval from TEA for March 3rd.

Approval of this waiver will ensure limited financial impact to the District due to a missed attendance day.

COPPELL INDEPENDENT SCHOOL DISTRICT

WHEREAS, the School Calendar for 2013-2014, as previously adopted and hereby, amended to require instruction on March 3, 2014; and

WHEREAS, the District will be utilizing the two scheduled weather days in the calendar for attendance missed on December 6th and 9th due to bad weather; and

WHEREAS, an application for a missed instructional day for 2013-2014 school year (March 3rd) will be submitted to the Texas Education Agency State Waiver Unit in order to provide 180 days of instruction during the 2013-2014 school year; and

WHEREAS, this resolution shall be in effect for the School Calendar year 2013-2014 and provide all necessary coverage should an additional attendance waiver need to be filed with the Texas Education Agency due to unforeseen circumstances;

NOW, THEREFORE BE IT RESOLVED by the Board of Trustees of the Coppel Independent School District that this resolution and waiver are hereby approved, thus ensuring a limited funding impact on the District upon the Texas Education Agency's approval of such waiver.

PASSED and ADOPTED this 24th day of March, 2014.
