7. ITEMS OF DISCUSSION

7.A. OSBA Recommended Policy Updates - 1st Reading

The board reviewed the OSBA recommended August policy updates. The recommended policy updates included the new cell phone policy. Mr. Wilson met with the admin team to work out specific details in regards to implementation and discipline. The team felt that a slow approach was best and that decision appears to be a positive one. Board member Susan Chase asked for clarification regarding the timeline on cell phone exemption and denial period timeline on JEFCEB-AR – Request for Personal Electronic Devices Exception. After discussion, the general consensus among the board was to match the timelines.

7.B. Annual Title 1 Parent Notification

Per policy IGBC, the district shall meet with parents annually to provide information regarding the Title 1 programs and policy requirements. Brockway Elementary and

McGovern Elementary will share this information with the parents during their “Open House” night upcoming in the next couple of weeks.

11. FOR THE GOOD OF THE ORDER

Mr. Craig Anderson, DHS Principal shared that the annual homecoming dance will be on October 4th in the gym. He also reported that the cell phone policy plan has been going well. Some of the FFA students attended a leadership retreat. September 12th is the first home football game and he encouraged everyone to attend.

Mr. Rob Holveck, WMS Principal reported middle school is fun. The school and staff just recently had to use their Raptor and Alertus training on a low-risk real event. This event identified areas that needed improvement. Fall sports in full swing and this year they have three volleyball teams. Mr. Holveck said they have a great student leadership crew which put on an outstanding welcome back assembly. The school will have their first dance of the year on September 18th.

Mrs. Emily Ledbetter, LES Principal reported they have been spending the first weeks of school making connections with the students and setting the expectations and routines. Students got to enjoy "Skate" day on Friday the 5th school day and they had a lot of fun. She also reported this week the K-2 and 3-5 PLC teams met to go over data and place the students appropriately. The data showed that in 4 of the classes, 50% of the students measured at or above benchmark already. Mrs. Ledbetter also shared that Dena Nuremburg from Stand for Children had visited the school and provided tips on better leadership and improve early literacy.

Mrs. Janna Norton, MES Principal said they have been busy making technical adjustments these first couple of weeks of school. The staff has also been making those necessary connections to students and implementing expectations. To support staff, they've had quite a few mentors from the ESD coming in and working with the new teachers as well as Norma Frost, MES building mentor and veteran teacher. The district early literacy coach Kristal Plikat has also spent quite a bit of time working with the ELA teachers and helped plan lessons. A math consultant will be working with the math department latter this month. Open house will be on October 2nd. This year the 5th grade students will be participating in electives courses 2 times a week for 30 minutes. The choices are Band, Choir, Advanced PE, Sign Language, Ukulele and School Newspaper. Mrs. Norton shared that the staff and students participated in spirit week and for their Friday school day they had a "Rules Rodeo" to help make the day fun.

Mrs. Lisa Dickover, BES Principal shared that school started a little more smoothly than last year, which was good. They've also been doing their benchmark assessing, looking at the data and planning the groups. She reported she is pleased with all the new staff that has been hired. They spent their Friday school day with popcorn and a movie. This year the teaching staff are pushing into the classroom, focusing more with groups in the classroom instead of pulling kids out. The hopes are that there will be more cohesion within that instruction and intervention. Open house is scheduled on October 18th. With that, there will also be an opportunity for parents to join the BES Booster Club. Mrs. Dickover also gave a shoutout to Kyle Micken for all his hard work with food service.

Mr. Kevin Wilson, Superintendent reported the new garbage system is working well and the projected cost is already shown to be under what was expected.
