Mr. Trejo and Mr. Ryan:

Effective immediately, I have elected to resign from all coaching positions at San Manuel Jr./Sr. High School for the 2012-13 school year. I feel this is in the best interest of all parties involved. I'm hopeful this decision will alleviate any further concerns regarding said allegations. I appreciate the opportunity I have been given to work with the student-athletes in the Mammoth-San Manuel School District. I will continue to fully support the San Manuel Athletic Program, as well as the students, staff and administration. I look forward to continuing my teaching duties in a professional manner as set forth by this district.

Respectfully,

Mike Sloan
