

Consent Agenda -

Item D.5. - Approve EDIAM Resolution designating Interim Superintendent Doug Froke as the IOWA for the Long Prairie Grey Eagle School District. As the Board may know, the Minnesota Department of Education (MDE) began requiring School Boards across the state a few years ago to formally designate an official from the District (typically the Superintendent) to authorize the submission of and accessing of various reports coming to and from the local districts. It would be prudent for the School Board to designate Interim Superintendent Doug Froke as the IOWA for the Long Prairie Grey Eagle Schools at this time.
