7410 - **MAINTENANCE**

The Board of Education recognizes that the fixed capital assets of this District represent a significant investment of this community and their maintenance if those assets is of prime concern to the Board.

The Board directs the conduct of a continuous program of inspection, maintenance, and rehabilitation for the preservation of all school buildings and equipment, and District grounds. Wherever possible and feasible, maintenance shall be preventive.

The District Administrator shall develop, for implementation within budget allocations approved by the Board, a maintenance program that shall include:

-

- A.  a regular summer program of facilities repair and conditioning;
- an equipment replacement program;
- B.  a long-range program of building facilities refurbishment and modernization;

Disabled parking spaces and signs, in conformance with State law, shall be provided where deemed necessary.
