Background Information

In an effort to reduce the financial strain caused by the pandemic HealthPartners will be providing a one-time premium credit to their members, totaling more than \$40 million. Red Wing's share of this premium credit was \$76,409.41. The LMC is recommending that the premium credit be shared between the district, staff, and retirees not on Medicare based on out of pocket premiums paid between Jan 1, 2020 and Nov 30, 2020. The premium credit was only applied to our standard plans available to active employees and retirees under 65. There was no premium credit for our Medicare supplement plans.

Recommendation

I move to direct the Business Office to allocate the Health Partners premium credit between the district, staff, and retirees not on Medicare based on out of pocket premiums paid between Jan 1, 2020 and Nov 30, 2020.
