Governor Pritzker Announces Eight Appointments to Illinois Boards

From the desk of David M. Ardrey - Executive Director

Once again, I am excited to share with the AIRSS membership a press release from Governor JB Pritzker's office with the announcement of his appointments to the Western Illinois University Board of Trustees. I am honored to announce that AIRSS will have a strong voice on yet another board that impacts the education of our rural children.

My work continues to be focused around our stated goal of "Access to quality education opportunities for all Illinois rural and small schools." One way to ensure our voice is heard, is to have members of our rural community serve on boards and committees. It is an honor to congratulate Dr. Patrick Mark Twomey, AIRSS Immediate Past President and current board member, on his

appointment to the Western Illinois Board of Trustees. Please take time to click the link below and read the full press release.
