

**Request for Approval for Contract Over \$150,000**

**POLICY ISSUE/SITUATION:**

The District has engaged in negotiations with a student and their legal guardians to settle potential claims that the student and/or guardians may have against the District with respect to the provision of services to the student under the IDEA.

This action item is in follow up to the executive session held earlier in which the Board was given direction and advice regarding the legal rights and obligations of both parties.

**RECOMMENDATION:**

**(15-551)** It is recommended that the School Board approve the settlement negotiated by the District in exchange for a release of potential legal claims against the District by the student and their legal guardians.

**District Goal:** All students will show continuous progress toward their personal learning goals, developed in collaboration with teachers and parents, and will be prepared for post-secondary education and career success.
