Mr. Weh,

Sorry about the late response. Unfortunately I will not be able to return as baseball coach for next year. I learned this past week that I was going to be rehired at Pontiac. They'll need a baseball coach for next season. I do plan on making the awards ceremony in May.

Hope all is well!

Good morning Mr. McDowell!

Hope all is going well for you!

I am sending you this email in hopes that you are interested in coaching JAMS Baseball again for next year. When you get a quick second, please respond either way.

Thanks Joe and have a great week!
