

EXECUTIVE SUMMARY

Meeting Date:	October 17, 2024
Agenda Item:	Division 22 Assurances for 2023-2024
Item Type:	Report
Administrator:	Bret Champion, Jeanne Grazioli
Objective:	Present Division 22 Report to Community

Background: Each year, Oregon’s school districts are required to review the Oregon Administrative Rules (OAR), located in Chapter 581, Division 22, related to Oregon’s standards for public schools. Each district must assess whether the district is in compliance with those standards for the prior school year. On or before November 1st of each school year, school district superintendents are to provide a Community Report to their local school board regarding the district’s standing with respect to all Standards for Public Elementary and Secondary Schools as set forth in Oregon Administrative Rules 581-022-2305. Districts are required to post the report on their district website by November 1, 2024. Districts then complete and submit the annual Elementary and Secondary Schools Assurance Form by November 15, 2024 to the Oregon Department of Education (ODE)

For this year, there are 56 standards in Division 22 that school districts must report whether or not they are in compliance. Districts need to identify specific evidence and keep close internal tracking of each requirement. We are pleased to report that for the first time in several years, we are in compliance in all areas of Division 22.

We are also pleased to report that for the fourth year in a row, the Medford School District is one of three districts mentioned on ODE’s [Division 22 Standards and Assurance of Compliance](#) website for providing exemplary reports to the school board and community, which can be read in a newsletter, [here](#). We were also asked to present in two sessions of a [professional learning series](#) as a “best practice spotlight” for other districts across Oregon.

The Division 22 Community Report (linked below) will be posted on [Medford's Division 22 Assurances](#) website by November 1st.
