# June

## Dear Evergreen Families,

It is hard to believe that the year is over. I am thrilled that we were able to end the year seeing our students' smiling faces. Students have made many strides, and we as a team are so proud of them. We look forward to seeing what our future 5th graders will be doing as they represent us next year, and we look forward to meeting new Eagles in the coming school year.

Learning continues over the summer. Ideas to help your student continue to grow can be some of the following:

- library visits
- pen pal letters to family and friends
- math games using objects from around the house
- strategy games
- making forts inside to read in

I wish all families and staff a restful summer and look forward to seeing you next year.

Sincerely, Jenny Jones  
Principal
