Thursday, February 22nd from 5-6:30

Hands-on science activities for the whole family!

Star Lab

Student Science Fair Project Expo

Book Fair will be open!

Have you filled a bucket today?

Based on the book "Have You Filled A Bucket Today?" by Carol McCloud. We all carry an invisible bucket that contains our feelings. When our bucket is full, we feel great. When our bucket is empty, we feel sad. A bucket filler is someone who says or does nice things for other people. By doing this, they are filling other people's buckets and filling their own bucket at the same time. On the other hand, a bucket dipper says or does things to cause other people to feel bad. A bucket dipper empties their bucket when they say and do mean things. We are learning to be bucket fillers not dippers!

If you are bringing in valentine's cards, be sure to bring one for everyone in the class.

If you are providing snacks or treats for our students, we may only accept and share store bought items in their original packaging.

P.T.S.G. is a great way to get involved in our school community. We meet on the second Wednesday of each month to plan school events and fundraisers for the students. Everyone is welcome!

PBIS Reward Activity: STEM Games—2/23

Book Fair—2/20-2/23

**Family Science Night—2/22 from 5-6:30
(set up at 2:10)**

****Call the office to sign up to volunteer.**
