AFTERSCHOOL PROGRAMS-21st Century Grant

Our spring session of the After School Programs ran from April 9th through May 17. Along with the one hour academic homework session, a variety of activity classes were offered. These classes included, gardening, computers, crafting, beading, cooking, open gym, and leather classes. Williams Elementary School will offer two summer school program sessions. June 18-28 and August 13-23. Classes will run Monday through Thursday from 8:30am to 1:30pm. Students will continue to build on Math, Reading, Science, and Social Studies.

MUSIC PROGRAM

Our 2011-2012 Strings Program came to a melodic ending on the evening of May 24th with the presentation of our annual "Strings in the Spring" concert. Strings teacher Warren Whistler and assistant Alison Huber lead students in a wonderful performance of voices, guitars, mandolins, and violins. Our audience of parents, family, and community members were treated with a wide range of popular songs from both the past and the present. A large thank you goes to Community, family members, and community for their generous ticket purchases and donations for the concert.

OAKS

William's Elementary students have been working hard and have completed their OAKS testing with an overall improvement from last year. Our averages are higher than the state average and the district averages. Great job Williams Elementary students!

PBIS/BEHAVIOR

Continuing with our PBIS Pioneer Pride program, students have been earning classroom rewards each month. Students continue to display good use of being safe, respectable, and responsible throughout the day. Along with our Dutch Dollar awards for monthly perfect attendance, students have also been rewarded with a variety of attendance rewards from popcorn, extra recess, hot chocolate, and school t-shirts. We will have our school wide PBIS celebration on June 11, 2012. William's staff and students will attend the movie Madagascar 3 and go to the park for lunch.
