## **High School Course List**

### **#5228 Supervised Agricultural Experience (SAE)**

Supervised Agricultural Experience (SAE) is designed to provide students with opportunities to gain experience in the agriculture field(s) in which they are interested. Students will experience and apply what is learned in the classroom, laboratory and training site to real-life situations with a standards-based plan for learning. Students work closely with their agriculture teacher(s), parents and/or employers to get the most out of their SAE program. This course can be offered each year as well as during the summer session. Curriculum content and competencies need to be varied so that school year and summer session experiences are not duplicative.

- Recommended Grade(s): 10, 11, 12
- Required Prerequisites: none
- Recommended Prerequisites: Introduction to Agriculture, Food and Natural Resources
- Credits: 1 semester course, 1 credit per semester, 8 credits maximum
- Counts as a directed elective or elective for all diplomas.
- Curriculum content and standards-based plan for learning should not be duplicated when this course is taken for multiple semesters

## **Elementary Courses and Descriptions: IREAD Preparation and Assessment**

**0480.0K-0480.04 Reading and Literature:** Reading and Literature is based on Indiana Academic Standards for English/Language Arts and integrates instruction emphasizing reading in interesting and age-appropriate content. Students develop reading competencies as they receive instruction founded on scientifically-based reading research with a focus on phonics, fluency, vocabulary, and comprehension. Students move from decoding words to learning more about what words mean. Students also start thinking more about what they read.
