**Maximum  
Probationary  
Contract Period**

In accordance with the District's innovation plan, the District is exempt from state law regarding the maximum length of time an experienced teacher may be employed on a probationary contract. At the recommendation of the Superintendent, a probationary contract may be renewed for an additional two one-year periods, for a total of three years, for a person who has been employed as a teacher in public education for at least five of the eight years preceding employment by the District.
