

**Cameron Middle School  
Board Report  
November 17, 2025**

**Recognition**

Thank you to School Nurse, Bethany Feidt, for assisting with the Flu Shots.

Thank you to Student Council Advisors Jen LaVallie, Chantel Randall, and Brittany Olson for taking roughly 35 of our Cameron StuCo. members to the Regional Leadership Conference in Eau Claire.

**Student Activities**

10/29 - Art Club activity after school. Mrs. Cornell hosts 1-2 activities after school each month.

Attendance has been very steady at 35 students. We appreciate this effort to help kids feel connected.

11/5 - Monthly activity was held at Skate City and a movie in our auditorium. Students who had missing work finished during the movie. There was great energy and Skate City was appreciative of the business and our students' behavior.

11/7 - P/T Conference attendance was at 65% this year. 53% in 2024, 46% in 2023, 59% in 2022, 47% in 2021. Teachers utilized virtual, phone, and in-person conferences. Teachers have also been conferencing via e-mail, calling, and mailing mid-term letters for students who are struggling. I believe we are meeting the communication needs of parents who want to be communicated with.

11/11 – Students attended the Veteran's Day Program at Cameron High School. Thank you to Mark Rykal as well as our High School Band and Choir. Thank you Cal Briggs, service men and women!

11/21 - End of Trimester One - Report Cards will be mailed out over Thanksgiving Break.

**Professional Development & Collaboration**

Staff have begun to look into our State Reporting Data. Cameron Middle School earned a score of 78% "Exceeding Expectations" for the 2024-2025 school year. We have "exceeded expectations" for the last 9 out of 10 years, with 2019-2020 having 'no score' due to COVID.

**Trimester I Data:**

- As of 11/13/25: 85% of our 5-8 grade students are passing ALL classes. This is a 5% decrease from this time last year, and above average for all years prior to that. Staff continue to collaborate about various methods to meet the needs of our students. (Learning Lab & Homework Help)
- As of 11/13/25: Our total days attendance is 98% for 302 students. Our total period attendance, which includes tardies, is: 5th-97%, 6th-97%, 7th-97%, and 8th-95%
- \_\_\_\_ CMS Students are currently receiving School Based Mental Health (SBMH) services.

11/10 - Chris Crowe, Jolene Severt, and Hans Schmidt attended day 2 of 2 refresher training in the SBIRT model. This training assists with requirements of our Stronger Connections Grant and gives us another tool in working with students.

**Upcoming Events:**

11/25-11/30 - No School - Thanksgiving Vacation

12/24 - 1/4/26 - No School - Christmas Vacation

TBD - Shop w/A Cop Event
