

Action Sheet

MEETING DATE: May 22, 2024

AGENDA ITEM: **Discuss and Consider Approval of CSRFP 2023-24-005 Food Service Equipment - Ball High School, Austin Elementary School, and Crenshaw Elementary/Middle School**

The GISD Food Service Department is in need of replacing some equipment in the different kitchens at Ball High School, Austin Elementary School, and Crenshaw Elementary/Middle School. The new equipment includes convection ovens, skillet braising pans, and dishwashers. As a result of the hard work of the Child Nutrition Department, the Child Nutrition fund has a balance that will cover the cost of the purchase and installation of the needed equipment items. GISD issued a competitive sealed proposal request in April 2024. GISD received three proposals on May 9, 2024. A selection committee of five individuals from the Child Nutrition and Finance Departments reviewed, scored, and ranked the bids. GISD is recommending TriMark for the equipment purchase following the scoring results by the committee. The total cost of equipment and installation is \$242,343.56

RECOMMENDATION: **I move the board approve and award CSRFP 2023-24-005 Food Service Equipment to TriMark in the amount of \$242,343.56**
