AGENDA SECTION: Consent Agenda

SUBJECT: Transportation Management – Hazardous Traffic Conditions

BOARD POLICY: CNA (Legal) & CNA (Local)

PRIORITIES: Operational Excellence

FISCAL NOTE: N/A

PREPARED/PRESENTED BY: Mari Zamora, Chief Operations Officer

Background Information

Per CNA (Legal) & (Local):

The Board shall adopt a resolution to identify hazardous traffic conditions or areas presenting a high risk of violence within two miles of the school campus. The resolution shall include the specific hazardous or high-risk areas in which transportation shall be provided, and the District shall publish the locations of these routes. The Board shall adopt a revised resolution when necessary to accurately reflect changes to the conditions or areas.

Hazardous traffic conditions allow the District to apply to the Commissioner of Education for an additional amount of up to ten percent of its regular transportation allotment to be used for the transportation of students living within two miles of the school they attend who would be subject to hazardous conditions if they walked to school. A hazardous condition exists where no walkway is provided and children must walk along or cross a freeway or expressway, an underpass, an overpass or a bridge, an uncontrolled major traffic artery, an industrial or commercial area, or another comparable condition, or areas presenting a high risk of violence.
