Scheduling Meetings – Scheduling meetings for the 2016-2017 school year have begun! Current juniors, sophomores and freshmen began registering online for their course selections for the next school year via Powerschool starting on Friday, January 15. I will be visiting Beach Middle School to meet with the current 8th grade class to discuss scheduling options on Monday, February 1 and our annual 8th Grade Parent Meeting will be held that evening at 7:00pm in the high school auditorium.

➤ **Enhance a Positive, Safe and Healthy School Climate**

A.L.I.C.E Lessons – On Thursday, January 21, our high school students took part in the district-wide A.L.I.C.E. training. This is the second year that each building has taken part in this safety initiative to help educate students and staff regarding active threat situations. Through a structured lesson plan administered by their 4th hour teachers, students reviewed what the acronym A.L.I.C.E stands for, went through an active threat drill and then took part in debriefing conversation with their teacher and peers.

➤ **Promote Interaction Between School District and Our Communities**

Consortium Open House – On Monday, February 9 from 6:00-8:00pm, Saline High School will be hosting their annual Consortium Open House for 10th and 11th grade families that are interested in potentially signing up for one of the programs offered through the South & West Washtenaw Consortium. This is a great event for students and parents as it showcases each consortium program.
