RE: Official Letter of Recommendation for Sunnyside Elementary – Freezer Floor Repair

Mr. Johnson,

On January 21, 2021, quotes were received for the Sunnyside Elementary Freezer Floor Repair Project. Two quotes were received, one from Met-Con Construction out of Faribault, MN and one from Red Wing Construction out of Red Wing, MN. We also requested a quote from MOHS Contracting out of Owatonna, however, they did not submit a quote and stated that they were too busy at this time.

The apparent low quote is from Red Wing Construction, with a bid price of \$30,696.00. We have confirmed that Red Wing Construction's bid is complete and thorough. Therefore, we recommend approval of Red Wing Construction's bid in the amount of \$30,696.00

Sincerely,

A handwritten signature in black ink, reading "Justin Steffl". The signature is written in a cursive style with a large, sweeping initial "J".

Justin Steffl
