

GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10

DATE OF MEETING: October 2, 2012

TITLE: Approval of Personnel Changes

BACKGROUND: Changes in the employment status of employee(s) will be presented herein.

The District uses an established pay schedule for professional staff members for extra duty work such as tutoring, curriculum work, providing staff development classes, workshops and training. At present, support (classified) staff members do not receive designated compensation when providing training/staff development. Establishing a specified pay rate would allow more capacity building and greater use of classified efforts to train other staff members.

RECOMMENDATION: It is the recommendation of the administration that the personnel changes be approved as presented. Administration also recommends that a new pay rate of \$20 per hour be established for support staff members who train/teach staff development classes and or workshops.
