

- Attendance lower due to significant sickness, including staff; utilizing all substitute options as well as staff doing a great job taking on additional duties to cover all assignments
- Tutoring began week of 1/28; involves more than 45 kids and 7 teachers
- Continuing to narrow instructional focus to STAAR prep only
- Several observations and walkthroughs weekly; focusing on active instruction which is centered on student engagement in classroom tasks

Upcoming:

- MOY benchmarks week of 2/17 - will adjust tutoring and in-class small groups after
