

The purpose of these guidelines is to provide a framework for the high school cheerleading programs in the Goose Creek Consolidated Independent School District. The intent is to help students grow in the program through a positive, athletic-based experience. These guidelines are not all-inclusive. Individual campuses may have additional guidelines and procedures for addressing specific cheerleader infractions.

ARTICLE I: PURPOSE OF CHEERLEADER SQUADS

- A. To promote and uphold school spirit throughout the year;
- B. To encourage good sportsmanship among the students;
- C. To improve relationships between schools during all athletic events;
- D. To represent the school district as a positive role model and leader; and
- E. To represent the school in sanctioned cheerleader competition.

ARTICLE II: VARSITY AND JUNIOR VARSITY SQUADS

A. The Varsity Squad

The Varsity Squad at each high school will have a maximum of 20 cheerleaders. No quotas pertaining to grade level, race, or gender will apply.

The Varsity Squad will be made up of seniors, juniors, sophomores, and freshmen. The Varsity Squad will be selected using judges' scores only, ranking scores highest to lowest. A minimum total judges' score of 55 out of a possible 90 points will be required for a candidate to be considered to be named to the Varsity Squad; however, a score of 55 or more **does not guarantee** a spot on the Varsity Squad.

B. The Junior Varsity Squad

The Junior Varsity Squad at each high school will have a maximum of 12 cheerleaders. **There must be at least 5 qualified candidates to make a Junior Varsity Squad.**

The Junior Varsity Squad will be made up of freshmen, sophomores, juniors, and seniors who remain in the candidate pool after the varsity squad has been determined. No quotas pertaining to grade level, race, or gender will apply.

The Junior Varsity Squad will be selected using judges' scores only. A minimum total judges' score of 45 out of a possible 90 points will be required for a candidate to be considered to be named to the Junior Varsity Squad; however, a score of 45 or more **does not guarantee** a spot on the Junior Varsity Squad.

After the Varsity Squad has been determined, all remaining candidates who meet the minimum judges' score of 45 out of a possible 90 points will be ranked based on judges' scores from highest to lowest.

If a cheerleader moves, quits or is removed before uniform orders are processed, the next cheerleader/candidate who meets all minimum criteria for the position may be moved into

that position *if* the sponsor and campus administrator determine it to be necessary. The Cheerleader Coordinator is not required to fill a vacancy created on either squad.

C. Rebuild Clause

The Varsity Squad at each high school will have a minimum of 12 cheerleaders. The minimum standards will be used only when an insufficient number of candidates earn the required minimum judges' score during the tryout process. The candidates will be ranked according to their total tryout score until the minimum squad has been fulfilled.

If there are 16 or less total candidates who are named cheerleader to the Varsity and Junior Varsity squads, the squads will combine to make a Varsity squad only regardless of varsity minimum score, term of service, or grade level.

ARTICLE III: TRYOUT QUALIFICATIONS

Cheerleading tryouts for high schools in Goose Creek CISD will be held during the second nine weeks of the school year after the first nine week's report cards have been distributed. Students who do not have a first nine week's report card may obtain a verified copy from the appropriate school office. Furthermore, absent extenuating circumstances outside of the student's control, a student who voluntarily relinquishes the student's spot on the cheerleading squad will not be eligible to try out for cheerleading the following year. Extenuating circumstances do not include conflict with peers or the sponsor or general dissatisfaction with the squad or the program.

 - a. Must be approved by the sponsor and administrator.

The scores of the two judges at each station will be averaged to determine the final station score for each candidate.
4. Candidates will be scored by two judges at each station. These two scores will be averaged to determine the candidates' score for each station. Senior cheerleaders will perform the required elements at each station for the judges prior to any candidate trying out at that station. This will allow judges to set a standard of quality for each station.
5. When all candidates have completed all stations, individual scores will be tallied.
6. If a tie exists in the total judges' scores and the tie must be broken, the following steps are to be used.
 - a. If the total of the three judging stations is the same, judge station #1 scores will be used as the tiebreaker.
 - b. If a tie still exists, judge station #2 scores will be used to break the tie.

Eligibility to participate in cheerleading activities will be governed by guidelines set forth in Texas Education Code 33.081 (commonly referred to as "No Pass, No Play"), with the following added guidelines:

1. Beginning with the first nine weeks of the fall semester following selection to the cheerleading squad, any cheerleader ruled ineligible as a result of receiving a grade below 70 in any class will be placed on **warned status for grades** for the remainder of the cheerleader term of service. Waivers granted in accordance with TEC 33.081 and Goose Creek CISD guidelines for receiving a grade below 70 in an honors level or advanced placements class will allow a cheerleader to continue participation in cheerleading activities. However, such waivers will not prevent a cheerleader from being placed on warned status for grades.
2. If a cheerleader is to be placed on warned status for grades, a conference with the cheerleading sponsor, parent, student, and an administrator will be required.
3. Any cheerleader on warned status for grades as a result of Article V, Section A, Part 1, who receives a second nine weeks' grade below 70 in any class will be **dismissed from the cheerleader squad** for the remainder of the term of service. Waivers granted in accordance with TEC 33.081 and GCCISD guidelines for participation after a student fails an honors level or advanced placement class may not be used to prevent dismissal from the cheerleading squad.

B. Conduct:

3. **Dismissal from the squad** for the remainder of the term of service will result if a cheerleader on warned status for citizenship receives an N or U on a subsequent report card (this N or U does not have to be in the same class that resulted in the cheerleader being placed on warned status).
4. Students who hold the position of cheerleader and receive a Conduct Report at any time after selection will be placed on **warned status for citizenship** for the remainder of the term of service.
5. **Dismissal from the squad** for the remainder of the term of service will result if a cheerleader receives a Conduct Report while on warned status for citizenship.

ARTICLE XI: ADMINISTRATIVE REVIEW OF GUIDELINES

An annual review of these Cheerleader Guidelines will be made by an administrative committee consisting of the district's Director of Fine Arts, Cheerleader Coordinator, all secondary school principals, and the Executive Council Representative. This administrative review will occur during the Spring semester.

If the administrative review concludes that there are legitimate reasons for considering a change to the Guidelines, the Cheerleader Coordinator will be authorized to appoint a new committee consisting of appropriate representation from each school to consider the proposed changes and to make recommendations to the superintendent's office for appropriate changes in the Administrative Guidelines.
