Would like to discuss an activity to happen in late march or early april. Something family oriented.

Airica- Egg drop, read a thon, focus on elementary.

Christy-bounce house with climbing wall.

Leah-math night, teachers would have math activity that would be made and taken home to play with.

Tracy-lego night. Kids bring legos. Spring festival, rooms that have different activities for families to do. Take home activities.

Airica- one activity like fall festival to earn money to pay for other activity nights. Buy legos.

Tracy-family night was nice and kids enjoyed it.

Brandi-ask local businesses to come teach skills. Fly tying, forest service, etc

Leah-maria from Port teach art. Adults and kids.

Airica-don't need to decorate, use several classrooms.

Jim- another music/drama night. Whole school participates. Spend several hours.

Brandi-mystery theater. Adults do that and kids in gym doing lego night.

Airica-cpr night. With bouncy house and climbing wall for kids with sport team to watch kids. Separate kids and adults
