

FIS School Board Report February 10, 2025

6th grade field trip

Our 6th graders participated in their annual winter field trip to Powder Ridge in Kimball. We had great conditions for our students to be on the ski slopes and the students had a great experience once again. Thank you to our 6th grade staff for planning this activity for our students.

ParaProfessional Recognition week

We recognized all of our fabulous Paraprofessionals at FIS the week of January 20-24. We are fortunate to have a dedicated and caring staff that works with our most vulnerable students on a daily basis.

Kindness retreat

Youth Frontiers put on a Kindness retreat for our 4th grade students on January 29th. We had our Honor Society students from the High School work with our students during this time. This was a great opportunity for our students to learn more about the value of kindness and how we treat each other along with the impact of our words and actions. Thank you to our 4th grade team for planning this and the St. Cloud Optimist club for providing funding for the retreat.
