Hello Trish

cc Chris Reitan, Howie Daggs

Thank you very much for touching base with me regarding our request for you and the Board Policy Committee to re-assess, and present to the Craig School Board a proposed policy change regarding weight of College Course Work vs. Advanced Placement/Honors Courses in the Craig High School.

Specifically, I'm requesting additional language to be added to AR 5121 Grades/Evaluation of Student Achievement that states College Course Work that meets the requirements as outlined in AR 6146.3 Other Credit Options - College Course Work.

The end goal being the College Course Work has the same weighted GPA designation as Advanced Placement/Honors Courses noted in AR 5121 Grades/Evaluation of Student Achievement.

If additional testimony, or clarification from me regarding the request is needed please feel free to contact me.

Respectfully

Johnny Rice
