Programs*

Partnering with local schools

Adolescents ages 11-18

Our Services

Getting started! Intake/Assessment- We will listen to your story, discuss your options for help, and work together on your individualized plan of care.

Therapy- Individual, family, and group therapy options to teach you how to change patterns of thoughts and behaviors in order to achieve maximum mental and emotional well-being.

Medication Management- Evaluation and treatment by a medical provider.

Day and Evening Programs-Intensive Outpatient (IOP) & Partial Hospitalization (PHP)- Multi-day per week programs with various scheduling options at one of our three locations. Providing support, structure, and opportunity to integrate learned coping and processing skills in your daily life!

iMatter Adolescent Programs- Intensive Outpatient & Partial Hospitalization Programs partnered with local schools for on-site care and collaboration of needs. Students are able to remain in their school environment while our caring team brings support, structure, and our full range of services to you!

Insurance & Coverage

We accept most insurance.

Accepted Insurance Carriers- Aetna, BCBS, Cook Children's/Beacon Medicaid, Cigna, Healthspring, Magellan, United Healthcare, Value Options, and more.

Should you have any out-of-pocket expenses that you cannot pay upfront, we also offer flexible finance options.
