**SUBJECT:** Update of Policy 4600 Student Overnight Travel (Extended-Curricular Travel Activities) on a second read

---

Our current policy 4600 Student Overnight Travel was last approved by the Board in June of 2008. The purpose of this revision is to provide updated guidelines for the purpose and limitation of student overnight travel. Revisions also include additional guidelines for supervision and expenditures for student overnight travel. Minimal revisions have been made since the first read (see page 3, V. 5. a., b.) An update to this policy has been requested by district-level administrators. We are seeking Board approval of this policy on a second read.
