THOUGHTS

Key Thoughts

Distance to school Buses for savannah neighborhood is a must. Children cannot walk down fishtrap to school.

4.5  (20 )

Ranked #1 of 152

Transportation is extremely important It's important because my child will be walking to Navo and I'd rather them not walk 3 miles down fish trap to get to Navo. It's not safe

4.4  (22 )

Ranked #2 of 152

Transportation offered to students that must cross FM1385 Mass transportation is important to reduce unnecessary traffic congestion and improve safety of the students

Key Thoughts

Bus Service

THOUGHTS Bus Services

- Ease of drop off and pick up. Bus service would be highest priority, or closer drop off.** I work outside of home out of town, and arranging for pickup/drop off is very challenging 4.3  (19 )
- Travel time is high from my house to middle school** Kids require smooth transition instead of wasting hours in school bus. (in my case-my daughter starts from at 6:30 am and arrives at 5:15pm) 4.2  (21 )
- Provision of bus services to and from school** As a working mom it's difficult to arrange drop offs a pick up around the work schedule.FM423 is a busy road to cross by foot 4.2  (15 )

Key Thoughts

My Child to Attend

THOUGHTS Child Attend

- Proximity** It makes it easier for my child to participate in activities. Hwy 380 makes it next to impossible for him to participate. 4.3  (21 )
- Location/Distance/Safety** I don't want a long commute time taking my child to school- want to avoid traveling on 380 4.3  (19 )
- The distance between the school and the house should be the shortest possible** I do not want my child to spend hours on the bus when they live less than 3 miles from the school they attend now 4.1  (22 )

Key Thoughts

Traffic

THOUGHTS Traffic

Will Savannah be bused to cheek? It's not safe for kids to ride or walk across 1385 especially with no sidewalks and all the traffic.

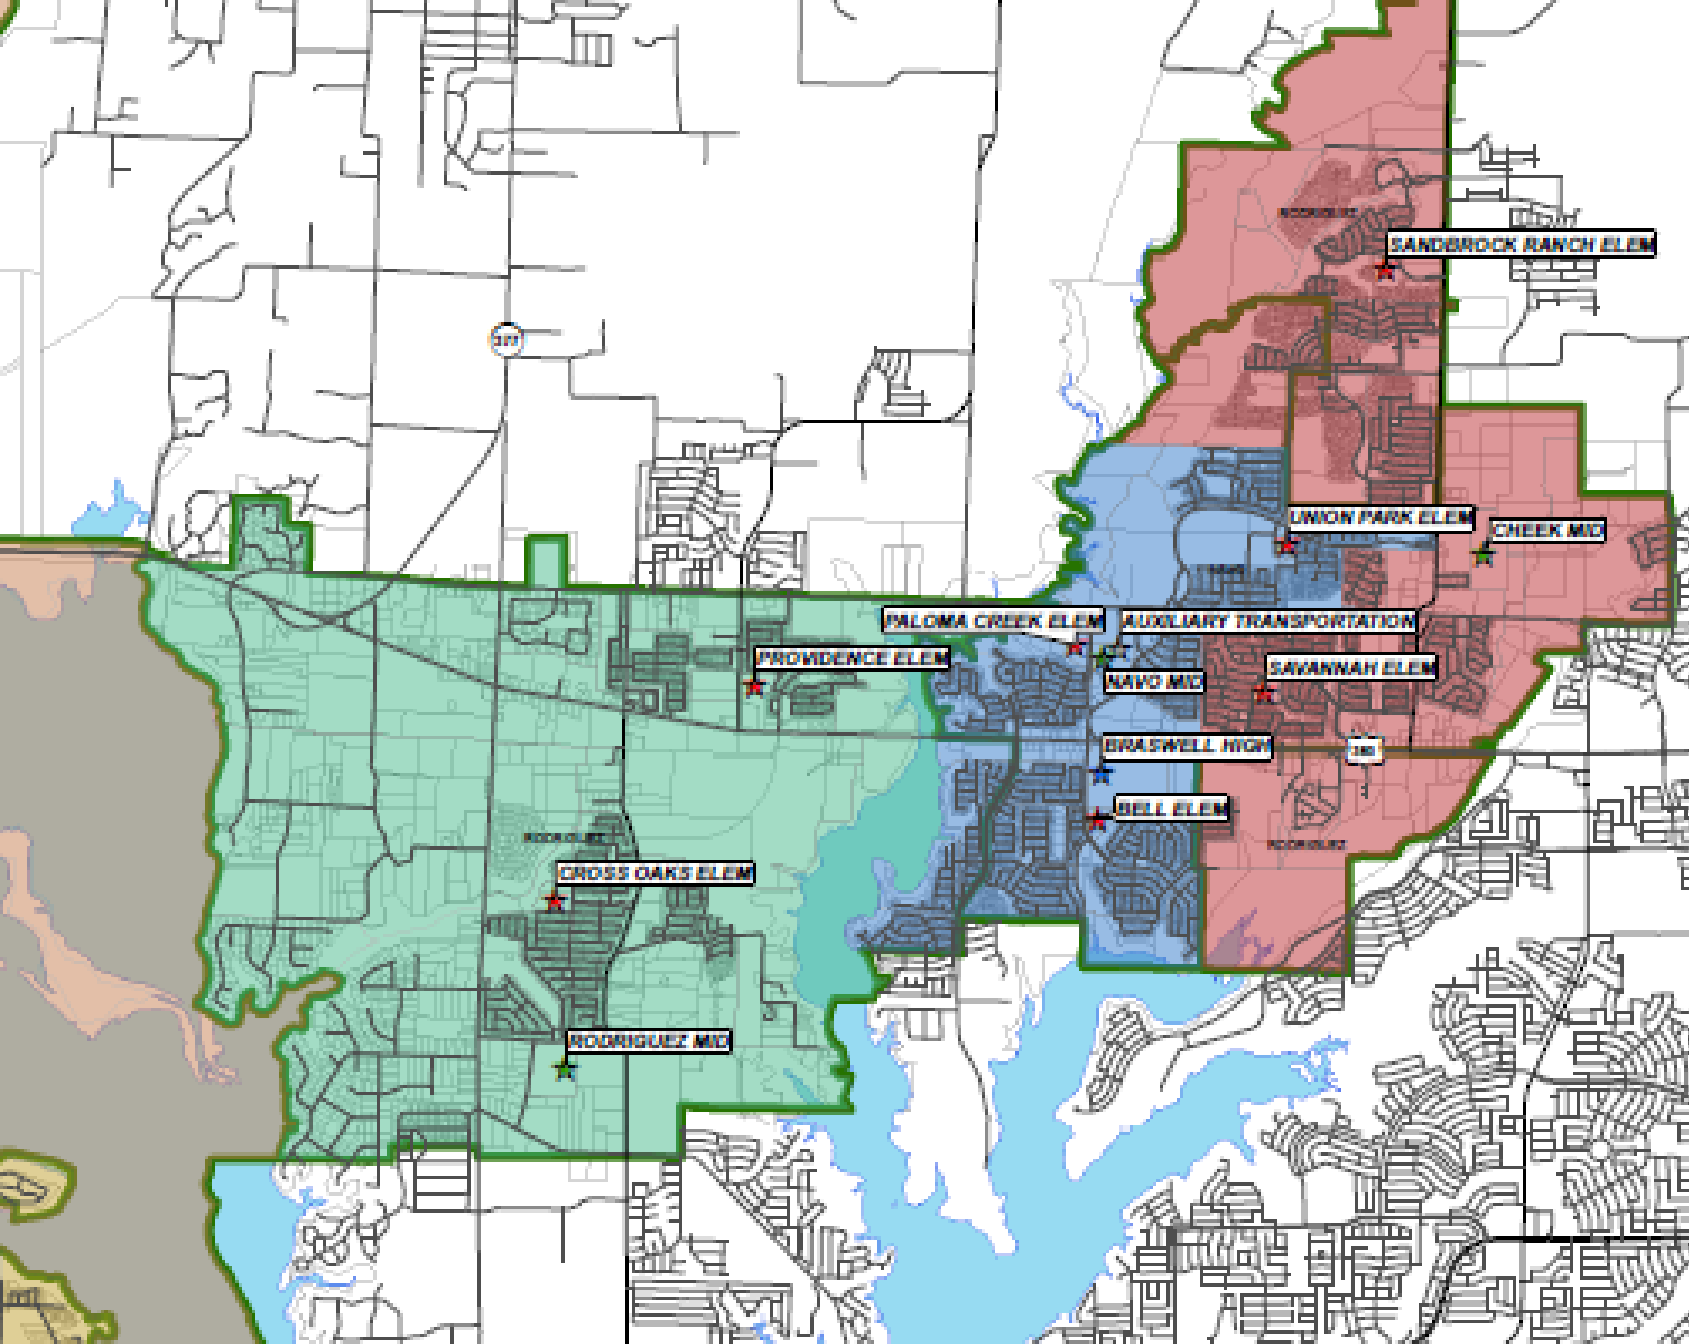

4.3  (16 )

Traffic Patterns I do not want to get stuck in long traffic line to get to/from Cheek Middle School if we have to go on RD 1385.

4.3  (13 )

Transportation 1385 and Fishtrap Rd are horrible and I would like my child to get to school safely and effectively.

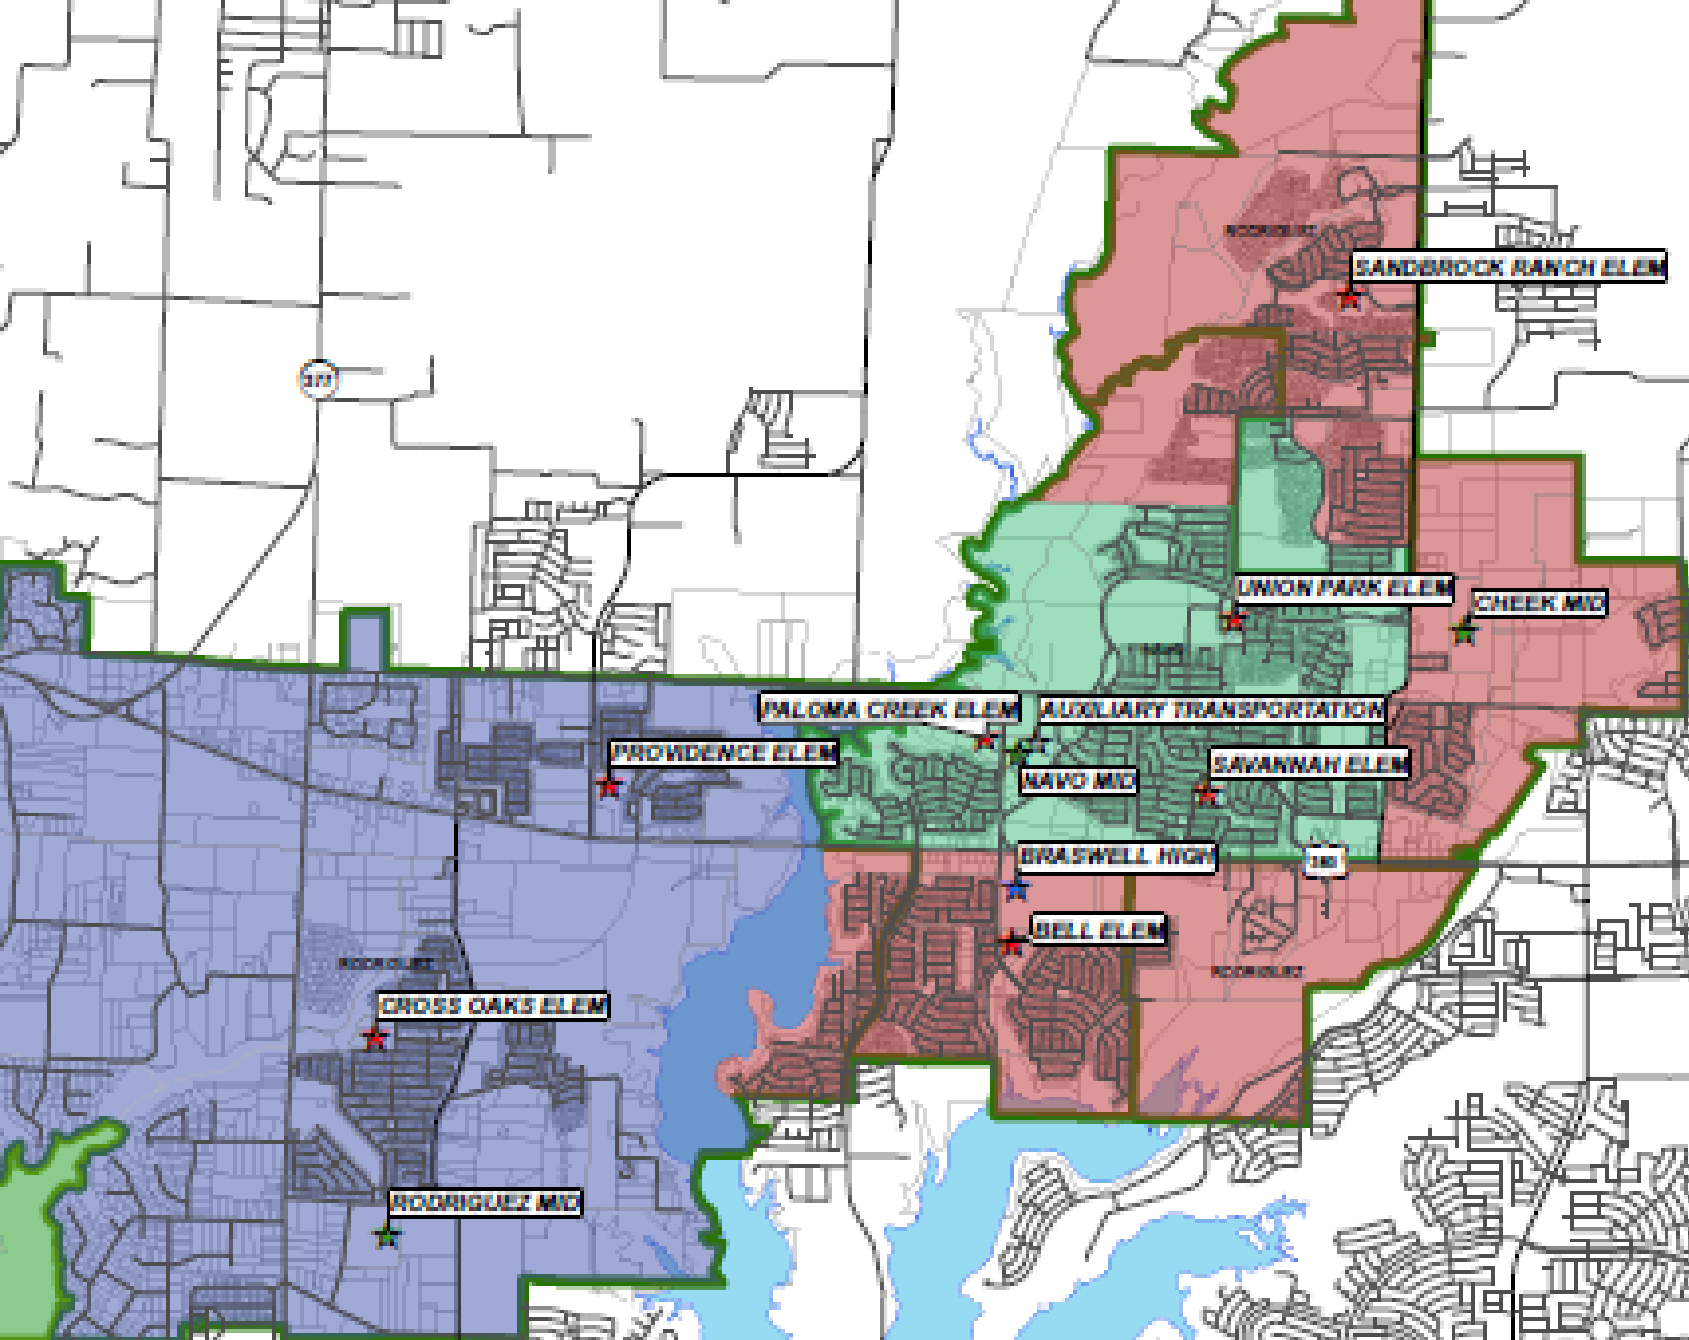

4.2  (15 )
