

SUBJECT: Consideration and possible approval of the application for a TEA Low Attendance Waiver for South Houston High School.

BACKGROUND: TEA allows applications for a waiver if campus attendance is low on a particular day due to weather, health, or safety issues and provides for them to be excused. South Houston High School experienced low attendance on September 12, 2024, due to a terroristic internet threat. The ADA for the day was 75.98%.

FINANCIAL IMPLICATIONS: ADA will be adjusted pending TEA waiver approval.

RECOMMENDATION: We recommend approval of the application for a TEA low attendance waiver for South Houston High School.
