Activities:

I have continued to stay in contact with the administration of all the schools. I have also been able to make it to all the schools at least once a week. I am trying to make it to the Fire drills or Lock downs. I gave an assembly to the Minico Students about the dangers of use of Social Media. I have been able to get to know a few of the students. I have dealt with students having alcohol and tobacco on school grounds, all were given a citation. With hunting season upon us, I had talk to a few students about having ammunition in their vehicles - with each incident there was not weapon.
