Our Units for March

During the month of March LRU will learn all about space. We live on a planet called Earth, there are other planets in space that are different from Earth. Astronauts are people who travel away from Earth to discover places that are different from Earth. The sun and moon play an important part of our lives on Earth.

ELDS Strands:

CA

Strand A - Engage in and enjoy the arts

M

Strand A - Counting and cardinality

Strand C- Shapes and spatial relationships

SI

Strand A - Apply scientific practices

Strand B - Process of engineering

Family Engagement: Mr and Mrs Mekael came in and spoke on their New Year, Nawroz

Human Capital

Professional Learning Topics

- **Trauma - Informed Schools Early Childhood Education**
 - **Early Childhood Assessment Training**
 - **PDG Training: Administration of the CKC's (Core Knowledge and Competency Framework)**
-

Operations

The fourth room is being used for DTI and pull out services.

We have a parent volunteer once a week.

Culture & Climate

The Little Raiders University culture and climate continues to grow in a loving, positive, diverse manner. LRU had a visit from Dave Nardone's support Dog. This was a great experience for all.

Thank you for your time.
