Re: Resignation

Dear Mr. Dokken:

Please accept this correspondence as resignation of my part-time preschool 4's paraprofessional position with the Aitkin Children's Center effective with the hiring of my replacement but no later than October 9, 2025. My husband has accepted a new employment opportunity, and we will be relocating to Colorado.

I appreciate the opportunity to have worked for Aitkin School District and the dedicated, talented, and professional staff of the Aitkin Children's Center.

Sincerely,

A handwritten signature in black ink that reads "Kris Nichols". The signature is written in a cursive style with a large, looped "N" and a distinct "K".
