

North Bend School District 13

Code: EBBA
Adopted: 5/08/06
Revised/Readopted: 6/03/21
Orig. Code: EBBA

Student Health Services**

Although the district's primary responsibility is to educate students, the students' health and general welfare is also an important Board responsibility. The Board believes school programs should be conducted in a manner that protects and enhances student and employee health and is consistent with good health practices. A health services plan shall be developed, implemented, and updated annually. The plan shall describe a health services program for all students at each facility that is owned or leased where students are present for regular programming.

The district shall maintain a written prevention-oriented health services plan for all students. The health services plan will¹:

1. Explain available health care space that is appropriately supervised and adequately equipped for providing health care and administering medication or first aid;
2. Refer to available communicable disease prevention and management plan that includes school-level protocols²;
3. Outline a district-to-school communication plan³;
4. Provide information about health screenings, including immunizations and TB certificate requirements;
5. Describe how services for all students, including those who are medically complex, medically fragile or nursing dependent, and those who have approved 504 plans, individual education program plans, and individualized health care plans or special health care needs are managed⁴;
6. Integrate school health services with school health education programs and coordinate with health and social service agencies, public and private;
7. Describe how hearing, vision and dental screenings are managed and/or verified for required students⁵;

¹ For exact language and complete requirement, see OAR 581-022-2220(1).

² For specific protocol content requirements, see OAR 581-022-2220(1)(b).

³ For requirements of this plan see OAR 581-022-2220(1)(c).

⁴ For more information regarding these requirements see ORS 336.201 and 339.869, OARs 581-021-0037, 581-015-2040, 581-015-2045, 851-045-0040 – 0060, and 851-047-0010 – 0030.

⁵ For vision screening or eye examination or dental screening information see ORS 336.211 and 336.213.

8. Include a process to assess and determine a student's health services needs, including availability of a nurse to assess student nursing needs upon, during, and following enrollment with one or more new medical diagnose(s) impacting a student's access to education, and implement a student's individual health plan prior to attending school⁶;
9. Comply with OR-OSHA Bloodborne Pathogens Standards for all persons who are assigned to job tasks which may put them at risk for exposure to body fluids⁷;
10. Refer to adopted policy and procedures for medications in accordance with Oregon law⁸;
11. Include guidelines for the management of students who are medically complex, medically fragile, or nursing dependent as defined by ORS 336.201, including students with life-threatening food allergies and adrenal insufficiency while the student is in school, at a school-sponsored activity, under the supervision of school personnel, in before-school or after-school care programs on school-owned property, and in transit to or from school or school-sponsored activities⁹.

Any nurse(s) employed by the district and providing services to students on behalf of the district shall be licensed in Oregon to practice as a registered nurse or nurse practitioner or be a licensed practical nurse (LPN) in alignment with LPN supervision requirements of OAR 851-045-0050 – 0060.

A nurse employed by the district shall follow all applicable requirements of ORS Chapter 678 and OAR Chapter 851. This includes, but is not limited to, delegation in accordance with OAR 851-047, which includes performing a nursing assessment of a student prior to delegation, providing adequate supervision during the delegation, and evaluating the skills, ability and willingness of the delegee.¹⁰

A nurse employed by the district will function as an integral member of the instructional staff, serving as a resource person to teachers in securing appropriate information and materials on health-related topics.

First Aid**

~~In cases of sudden illness or injury to a student or staff member, first aid will be given by school staff. Further medical attention for a student is the responsibility of the student's parents or guardians, or of someone the parents designate in case of emergency.~~

~~Each principal is charged with providing for the immediate care of ill or injured persons within his/her area of responsibility.~~

~~Staff members shall report self-administered first-aid treatment to an immediate supervisor.~~

⁶ For definitions for this policy see ORS 336.201.

⁷ OAR 437-002-0360 lists various health and safety regulations that apply in the employment setting.

⁸ Medication laws can be found in ORS 339.866 – 339.874 and OAR 581-021-0037; relevant Board policy includes JHCD/JHCDA - Medications.

⁹ For guideline requirements see OAR 581-022-2220(1)(k).

¹⁰ For additional delegation requirements see OAR [851-047-0030](#).

~~In each district facility, procedures for handling health emergencies will be established and made known to staff. Each district facility and district vehicle will be equipped with appropriate first-aid supplies and equipment. All employees are expected to know where first-aid supplies and equipment are kept in their work areas.~~

~~Designated employees in each building shall hold current first-aid cards. In compliance with Oregon Administrative Rules, each school shall have, at a minimum, at least one staff member with a current first-aid card for every 60 students enrolled or an emergency response team per building. Such team shall consist of no less than six persons who hold current first-aid/CPR cards and who are trained annually in the district and building emergency plans. Names of the designated employees will be posted.~~
