Re: Approve Paraprofessional Gianna Stornello

Recommendation:

It is the recommendation of the Superintendent to approve Gianna Stornello as a paraprofessional at the annual rate of \$23,399 for the 2025-26 school year..

Background Information:

Gianna is a 2022 graduate of Illinois State University with a Bachelor's Degree in Elementary Education. She has served as a camp counselor through the Carol Stream Park District and a long term substitute teacher in Glendale Heights School district. This past school year she served as a substitute paraprofessional beginning in March of 2025. We look forward to her officially joining our team in the role of paraprofessional.
