From: Dana Scott, Assistant Superintendent
Subject: Consider Approval of EIA(REGULATION) - BSISD Grading Guidelines in Accordance with EIA(LEGAL & LOCAL)
Date: May 14, 2025

Information:

Policy EIA (LOCAL) was adopted by the BSISD School Board in 2013. This policy requires that each campus or instructional level develop guidelines for teachers to follow in determining grades for students. These guidelines shall ensure that grading reflects a student's relative mastery of an assignment and that a sufficient number of grades are taken to support the grade average assigned. Guidelines for grading shall be clearly communicated to students and parents. Recently, teachers, administrators and counselors across all grade levels met to give input regarding instructional level grading guidelines (EIA REGULATION) in accordance with the outline in EIA (LEGAL AND LOCAL).

Recommendation:

I recommend that the board approve the attached BSISD Grading Guidelines.

Motion Language:

I move that the Board approve EIA(REGULATION) - BSISD Grading Guidelines in Accordance with EIA(LEGAL & LOCAL).
