Illinois School Report Card Presentation

November 18, 2025

What is it?

- Annual report released by the Illinois State Board of Education

What is its purpose?

- Shows how the state, each district, and every school are progressing on educational goals
- Shows a picture of student and school performance

Summative Designations

Exemplary	- Overall performance in top 10% of all schools - No targeted student groups at or below the “all students” group of the lowest-performing 5% of schools
Commendable	- Overall performance not in the top 10% of all schools - No targeted student groups at or below the “all students” group of the lowest-performing 5% of schools
Targeted Support	- One of more student groups performing at or below the “all students” group of the lowest performing 5% of schools
Comprehensive Support	- Overall performance in the bottom 5% of Title 1-eligible schools statewide AND - Completed full 4-year Targeted Support school improvement cycle and one or more originally Targeted student groups remains at or below the level of the “all students” group in the lowest 5% of Title 1 eligible schools at the end of the cycle.
Intensive Support	- Completed full 4-year Comprehensive Support school improvement cycle, but performance remains in the lowest-performing 5% of Title 1 eligible schools in Illinois.

Student Groups

Demographics	Programs
• American Indian or Alaska Native • Asian • Black or African American • Hispanic or Latino • Native Hawaiian or Other Pacific Islander • Two or More Races • White	• Children with disabilities • Economically disadvantaged students • English Learners • Former English Learners

Data doesn’t tell you the answer. Data just tells you where to start asking questions.

D45

Data Analyses

Must Dos	Important Considerations
• Look for patterns and deviations from the patterns • Look to multiple sources of data • What story does the data tell about being a particular kind of student at your school?	• Resist assuming a lower designation or index score means lower performing in all areas • Do not over interpret the designation or the data
