Good morning,

I am writing to let you know that MSGIA and the reinsurer have completed our review of the repair estimates for the gym floor. Even though the bid from Northern Sport Floors has a lower overall cost, they are not able to repair until March of 2025. Knowing that the school district needs to have the floor repaired much sooner than that, we are in agreement with the floor replacement estimate #1394 from Western Sports Floors in the amount of \$490,383.75.

If the District also agrees, please proceed with contacting Western Sports Floors to schedule, sign contracts, order supplies, and complete the work. Thanks for your patience through the approval process. Feel free to contact me if you have any questions.
