D.

Summary: Request that Board Policy CO(LOCAL) be updated to match the current district meal charge plan.

Background Information: Board Policy CO(LOCAL) states that a student with an exhausted or insufficient balance on his or her meal card or meal account shall be allowed to continue to purchase meals for up to a total of \$20.

The Board had previously approved a meal charge policy for the child nutrition department that set this limit at \$15.

The Policy Manual needs to be updated with the correct dollar limit as previously approved by the Board of \$15.

We have been advised that Policy CO(LOCAL) is required to have the dollar limit stated. So any time the district changes the published meal charge policy, this Board Policy must be updated. .
