## Child Nutrition Workshop

---

### **Board Goal:**

Growth & Management ... In pursuit of excellence, we will:

- Provide Leadership and/or oversight to ensure the District meets all fiscal, legal and regulatory requirements
- Demonstrate effective and efficient management of district resources

Culture & Climate... In pursuit of excellence, we will:

- Promote health, wellness and emotional well-being
- Foster a positive, welcoming environment encouraging parent and community partnerships

### **Purpose of Report**

The report being submitted to the Board of Trustees reflects modifications made to the Child Nutrition Services and Programs in response to the COVID-19 closure.

### **Objectives**

- Review timeline of events and outcomes to provide meals to student.
- Discuss United States Department of Agriculture & Texas Department of Agriculture waivers.

### **Operational Impact**

Provided meals to areas impacted by school shutdown. Collaboration between departments to meet student needs.

### **Results**

COVID-19 response enabled Denton ISD to provide needed resources to the community and effectively and timely communicate information to parents and our community, as well as effectively work with numerous volunteers and organizations within our community.
