

**YSLETA INDEPENDENT SCHOOL DISTRICT**  
**Board of Trustees Meeting**  
**Agenda Item Backup Sheet**  
**February 10, 2016**

- Subject:** Contracted services with the El Paso Independent School District (EPISD) to allow two YISD transfer students to complete Pharmacy Tech coursework at the EPISD Center for Career and Technology Education (CCTE).
- Solution:** EPISD offers a two-year Pharmacy Tech program in which the two students are currently enrolled. The Ysleta Independent School District (YISD) Career and Technical Education Program will pay for the cost of the EPISD Pharmacy Tech courses for both students. YISD will pay for the round trip transportation cost; however, the transportation is reimbursable from the state at the end of the school year.
- Rationale:** With a change of residence, the parent is requesting that the students continue their two-year Pharmacy Tech program at CCTE in EPISD and complete their academic courses at Riverside High School, their home high school. One student is a second-semester junior and one is a second- semester senior.
- Funding:** YISD Local Career and Tech funds will pay for the coursework; YISD local transportation funds will pay for the transportation (reimbursable at the end of the school year).
- Recommendation:** Consider and take possible action to ratify YISD contract #20160287 with the El Paso Independent School District to provide pharmacy tech instruction to two transfer students during the period of January 11, 2016 through June 30, 2016 at a cost of \$4,000 from local funds.
- Resource Person:** Roberto Basurto, Associate Superintendent, High Schools  
Jean Keeton, Director, Career & Technical Education  
Joe Sanchez, Director Pupil and Parent Services
