Re: Lowe's Contract for Service

Based on an evaluation of projected maintenance needs for Fiscal Year 2026, staff is requesting Board approval of a vendor contract with Lowe's in an amount not to exceed \$20,000. This contract will provide access to a wide range of tools, materials, and supplies necessary for routine maintenance and emergency repairs across district properties.

Entering into this contract for service will ensure the Operations Department remains well-equipped to maintain safe, functional, and well-managed learning environments for students, staff, and visitors.

Rock Island/Milan School District 41 recommends the continuation of its partnership with Lowe's, located at 3820 44th Avenue, Moline, IL 61265, not to exceed \$20,000, for maintenance supplies and tools. This partnership remains essential to supporting the ongoing repair and upkeep of district-owned facilities.

Investment Period: July 1, 2025 - June 30, 2026

Total Investment: Not to exceed \$20,000

Funding Source: District Funds/Maintenance and Operations Department
