“	Facebook	On this day in 1813, the United States gets its nickname, Uncle Sam. The name is linked to Samuel Wilson, a meat packer from Troy, New York, who supplied barrels of beef to the United States Army during the War of 1812. Wilson (1766-1854) stamped the barrels with “U.S.” for United States, but soldiers began referring to the grub as “Uncle Sam’s.” The local newspaper picked up on the story and Uncle Sam eventually gained widespread acceptance as the nickname for the U.S. federal government. The attack cost the lives of about 2,500 Americans. On that Terrible day America gave birth to offspring that have strengthened our resolve as Americans to defend this nation forever. 9/12	Facebook	The A.C. Jones High School Dazzlers, welcomed a new addition to their drill team during Friday night’s football game vs. Orange Grove. Kimberly Perez, a sophomore from Rockport-Fulton High School, is currently staying with relatives in Beeville along with her mother. The City of Rockport and Rockport-Fulton High School received considerable damage and destruction as a result of Hurricane Harvey. The high school in Rockport is currently closed and will not re-open until later this school year. Veronica Medina, Kimberly’s mom, did not want her daughter out of school for an extended period of time so she enrolled her at A.C. Jones High. Kimberly was a member of the Emeralds, the RFHS drill team. The Dazzlers welcomed her with open arms as she joined the squad cheering on the Trojans under the Friday Night lights. Although her dance outfit was a different color, she shared the same enthusiasm and desire on the sidelines as did all of the Dazzlers.	34.9 K
