Re: Report to Board of Trustees

Since our return from the snow days last month, teachers and staff have been working hard to get the second semester off to a strong start. In addition, we have seen several new students move into our community and enroll at our school, but there have also been several who have moved either before Christmas Break or after the new year. Our 2nd grade class is near capacity, but our teachers are doing a great job with the additional challenge.

ENROLLMENT AND ATTENDANCE UPDATE AT HES: Below is an update on our current enrollment (as of February 6th) and our overall attendance numbers:

Kindergarten = 93 students
1st Grade = 84 students
2nd Grade = 109 students
3rd Grade = 93 students
4th Grade = 105 students

Total = 484 students

Overall attendance percentage for the 2023-2024 school year thus far = 93.36%
