

BOARD MEETING MEMORANDUM

Board Meeting Date: May 19, 2026

From: Aron Borowiak, Superintendent

Re: Permission for APD to film SRO for APD Promotional videos per Policy 8:20

Attachment(s) Policy 8:20

Agenda Location: Consideration to Approve: Action Items

Rationale:

The administration is requesting Board approval to allow the Antioch Police Department to film limited promotional video content within District 34 schools featuring the School Resource Officer (SRO) program.

The purpose of the videos is to highlight the positive partnership between the District and the Antioch Police Department and to showcase the important work our School Resource Officers do each day to support student safety, relationship-building, mentorship, and community engagement within our schools. The videos may be used by the Antioch Police Department for recruitment, community relations, and promotional purposes.

No students will be filmed, photographed, or otherwise identified without the appropriate parent/guardian permission and any required legal releases or agreements. Filming activities will be coordinated with district administration to ensure minimal disruption to the educational environment and compliance with Board Policy 8:20 – Community Use of School Facilities.

Recommendation/Motion:

The administration recommends that the Board approve permission for the Antioch Police Department to film promotional content featuring the District's School Resource Officer program, as presented.
