Subject: Consider Delegating Authority to Superintendent to Sign a Contract to repair the storm damage sustained on June 1, 2025.

Action

PURPOSE OF RECOMMENDATION:

Discuss and consider approval to delegate authority to the Superintendent to negotiate and execute a contract with Reclaim Construction to repair the storm damage sustained in Millsap ISD on June 1, 2025.

BACKGROUND INFORMATION:

On June 1, 2025, Millsap ISD sustained substantial damage due to a large hail storm. Multiple properties sustained damage from the storm. A claim was presented to our insurance provider, Insurica, to assess the damage. When the assessment was received, we contacted multiple companies to present a proposal. Those proposals were received by Friday, October 17, 2025. Reclaim Construction, LLC was the company that could best provide Millsap ISD with the varying nature of repairs needed.

RECOMMENDATION:

It is recommended that the authority to execute a contract for the Millsap ISD storm damage repair be granted to the Superintendent for a dollar amount of our insurance deductible \$500,000. (MISD Board Policy CV(Legal))
