

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: August 27, 2018

AGENDA ITEM: Consider Discontinuing the Use of 2018-2019 Extension of the District Strategic Plan and Authorizing Administration to Use the 2018-2019 Instructional Framework

PRESENTER: Dr. Susan K. Bohn, Superintendent

ALIGNS TO BOARD GOAL(S): All

Background Information:

- On January 25, 2018, the Board of Trustees voted to extend the 2015-2018 District Strategic Plan to become the 2015-2019 District Strategic Plan with minor revisions due to changes in state and federal requirements. The administration proposed the extension due to the announced retirement of the Superintendent and the impending search for a new Superintendent.

Administrative Considerations:

- The Board hired the new Superintendent in June of 2018, and, since that time, the Administration has devised an Instructional Focus for the 2018-2019 school year. The Administration has discussed the Instructional Focus with the Board at Board meetings on August 13 and August 20, 2018. The Administration recommends that the Board vote to discontinue the use of the 2018-2019 extension of the District Strategic Plan, and, instead, authorize the Administration to use the District's 2018-2019 Instructional Focus as the foundation for work in the District this school year. The Instructional Focus would serve as the framework for the District Improvement Plan and the Campus Improvement Plans for 2018-2019.

FISCAL NOTE: None

Administrative Recommendation: The Administration recommends that the Board discontinue the use of the 2018-2019 extension to the District's Strategic Plan, and authorize the Administration to use the District's 2018-2019 Instructional Focus as the foundation for the District's work during the 2018-2019 school year.
